Deal Farm AD Plant Bressingham

www.stopdealfarm.co.uk

Kenninghall has been designated as a "distribution route" for the AD plant at Deal Farm by the developers.
This is for the movement of manure, straw and "other by-products" to a 12 km radius of Bressingham.

Heavy lorries, tractors & trailers driving past your house

Using Wood Lane, The Common, Fersfield Road, Heath Road, past Crown Milling and out onto Lopham Road. See Transport Statement - Addendum dated 1 April 22 planning application 2021/2788. Note that this is a change from the original transport info that there would be no movements further than 5 km radius.
